### TO ALL CONCERNED PERSONS AND AGENCIES:

Enclosed is a tentative Waste Discharge Requirements Order (WDRs) for the Barrel Ten Quarter Circle, Escalon Cellars winery wastewater facility in San Joaquin County. Any comments or recommendations you may have concerning the enclosed tentative order must be submitted to this office by **9 a.m. on 9 March 2009** in order for us to give them full consideration prior to the 23/24 April meeting of the Regional Water Board. Comments received after this time will not be considered or included in the administrative record unless allowed by the Chair. The tentative WDRs Order was previously circulated for public comment on 12 December 2008 and has not been revised. In order to conserve paper and reduce mailing costs, a paper copy of the tentative order has been sent only to the Discharger. Interested parties are advised that the full text of the order is available on the Regional Board's web site at <http://www.waterboards.ca.gov/rwqcb5/tentative> under the heading of "Discharger-Specific Orders for Future Board Meetings." The item will be posted by 27 February 2009.
